WELCOME

Thank you for choosing to worship the Lord with us this morning. We trust that you sense God's presence among us and are encouraged by your worship experience.

CONNECTING TO EACH OTHER

Please Pray for...

Zach & Sara Prieb & family serving in Roach, Missouri with Ethnos 360. Pray for ongoing spiritual growth and to serve out of a heart of willingness and abundance from their relationship with Christ; that the final semester students would finish well, raise needed support and continue to their country they serve.

Bob and Cyndi Ratzlaff as Bob's mom passed away in Reedley, California. They praise the Lord for her home going and are at peace with it. They are in California for a memorial service and time with family.

Floyd Kelle he has had a series of mini strokes and is now in McPherson Rehab for speech and walking therapy.

Kyle Buller who is on an oral chemo. Please pray for it to be effective and minimal side effects. Specially for his appetite to be good.

Thank You Notes...

Thank you to each of you who helped me move from Newton to Hutchinson a couple of weeks ago. Several came Friday evening to move my plants, everyone else showed up Saturday morning. Because of each of you, the move went quickly and smoothly. I am so grateful for the Zoar community. Thank you, also, for your prayers for Carol. She is back in her home, smiling and comfortable. Thank you. - Beth Jones

Thank you so much to each and everyone of you who helped in any way with your generosity, your love, prayers, the meal you prepared and served, your attendance to Charleen's Memorial Service, flowers, etc. It was all appreciated by Charleen's family and friends.
