# Ramadan 2023

24/7 PRAYER

March 22 - April 21

## RAMADAN: WHY SHOULD WE PRAY FOR MUSLIMS?

Ramadan is one of the five pillars of Islam. During each of its +/-30 days, Muslims are obligated to fast from dawn until sunset. During this time they are supposed to abstain from food, drinking liquids, smoking, and sexual relations. This is a time where Muslims seek Allah in ways they often do not throughout the rest of the year. Therefore, this is a great time for the Church to ask God to reveal the truth and Himself to them. We believe extraordinary prayer is one of the key factors in fulfilling the great commission in our generation. Prayer that is strategic, unified and abundant. Prayer that aligns our hearts with God's heart and turns our eyes to those that still need to hear the Good News. You can sign up for a time slot at <https://tanzania.pray4movement.org/>
